### HOW TO MAKE AN APPOINTMENT

Dear Interested Client;

I realize that not everyone can receive personal consultation or treatment from me. That is why I have links on my website to locate qualified [Therapists](#) in your area, and links to resources about [MLD](#) and [lymphedema](#) (LE).

I have been a massage therapist in California since 1984, a [Certified](#) MLD Therapist since 1996 and an instructor in the ***Dr. Vodder School International (DVSI)*** since 2002. I teach Manual Lymph Drainage classes at a post-graduate level to health care professionals.

If you wish to [contact](#) me about scheduling an appointment for you or a family member, please **telephone me** or send an [email](#) to me **with your personal contact information**. **I will respond to your inquiry only by telephone**, as I have found that individual needs and arrangements cannot be done properly by email.

You may be pleased to know that a family member providing care to a relative with lymphedema may take my [Vodder MLD classes](#) offered through the acclaimed [Dr. Vodder School International \(DVSI\)](#), via a waiver of prerequisites, as long as only your relative receives the care.
